OUR STORY

Same counter. Same family. Since 1986.

In 1986 our family opened a small kirana shop inside the third lane of Crawford Market. In 2000, as Mumbai's kitchens began cooking the world, we turned that counter into a specialist in imported foodstuff.

Today we supply restaurants, hotels, cafés, resellers, bulk buyers and ship provisions with 138 products from 89 international brands, from the same address.

> "We don't just stock products. We build relationships that last."
